Ms. Smith,

EOG Resources, Inc. (EOG) is submitting the attached Pt. 1 registration package for the Clarks Creek 8 SESE Pad for modification to the facility that include the addition of producing wells and natural gas fired RICE driven compressors. The facility is located on the Fort Berthold Indian Reservation, McKenzie County, ND. The pad expansion that will include the new wells is shown on the location maps as the Clarks Creek 8 SESE 2 Pad. The facility will collectively be referred to as the Clarks Creek 8 SESE Pad.

EOG will submit an updated Pt. 2 registration form and supporting documentation within 60 days of startup of the new or modified equipment.

Please reply stating that you have received this email and the attached Part 1 registration.

Regards,

**Mathew Oliver, P.E.**
